It's Your Business

The Center for Community Economic Development and Disability at Southern New Hampshire University, the New Hampshire Community Loan Fund and New Hampshire Vocational Rehabilitation are offering a matched savings program for individuals with disabilities.

You may be eligible to receive \$4 for every \$1 saved for your business, your education, or your first home if you:

- **earn less than 200% of federal poverty guidelines, or**
- **are eligible for the Earned Income Tax Credit, or**
- **are eligible for Temporary Assistance for Needy Families (TANF) and**
- **have less than \$10,000 in net worth.**

Note: These savings are permitted by Medicaid and the Social Security Administration and will not disqualify you from receiving state and federal benefits.

To learn more, contact Project Coordinator Karen Privé at 603.644.3148 or via e-mail at k.prive@snhu.edu.
